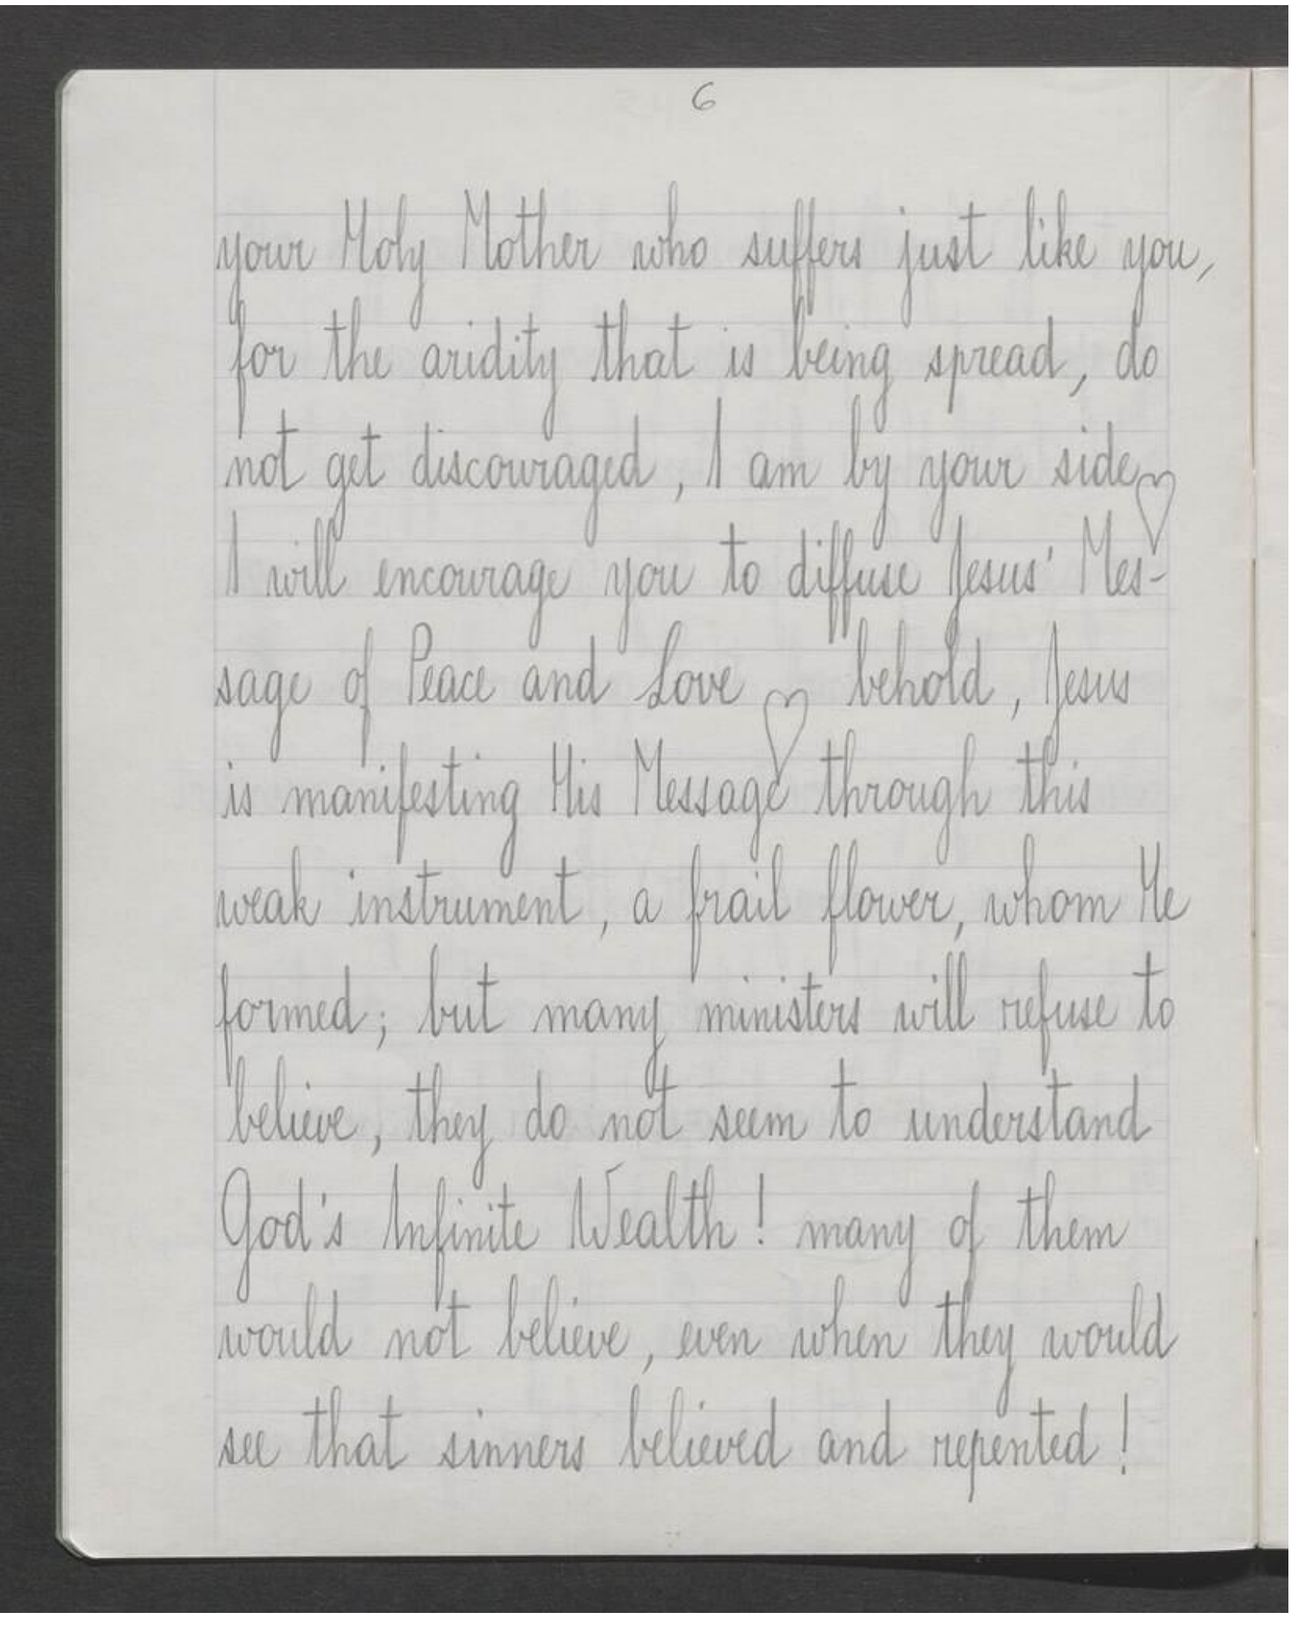
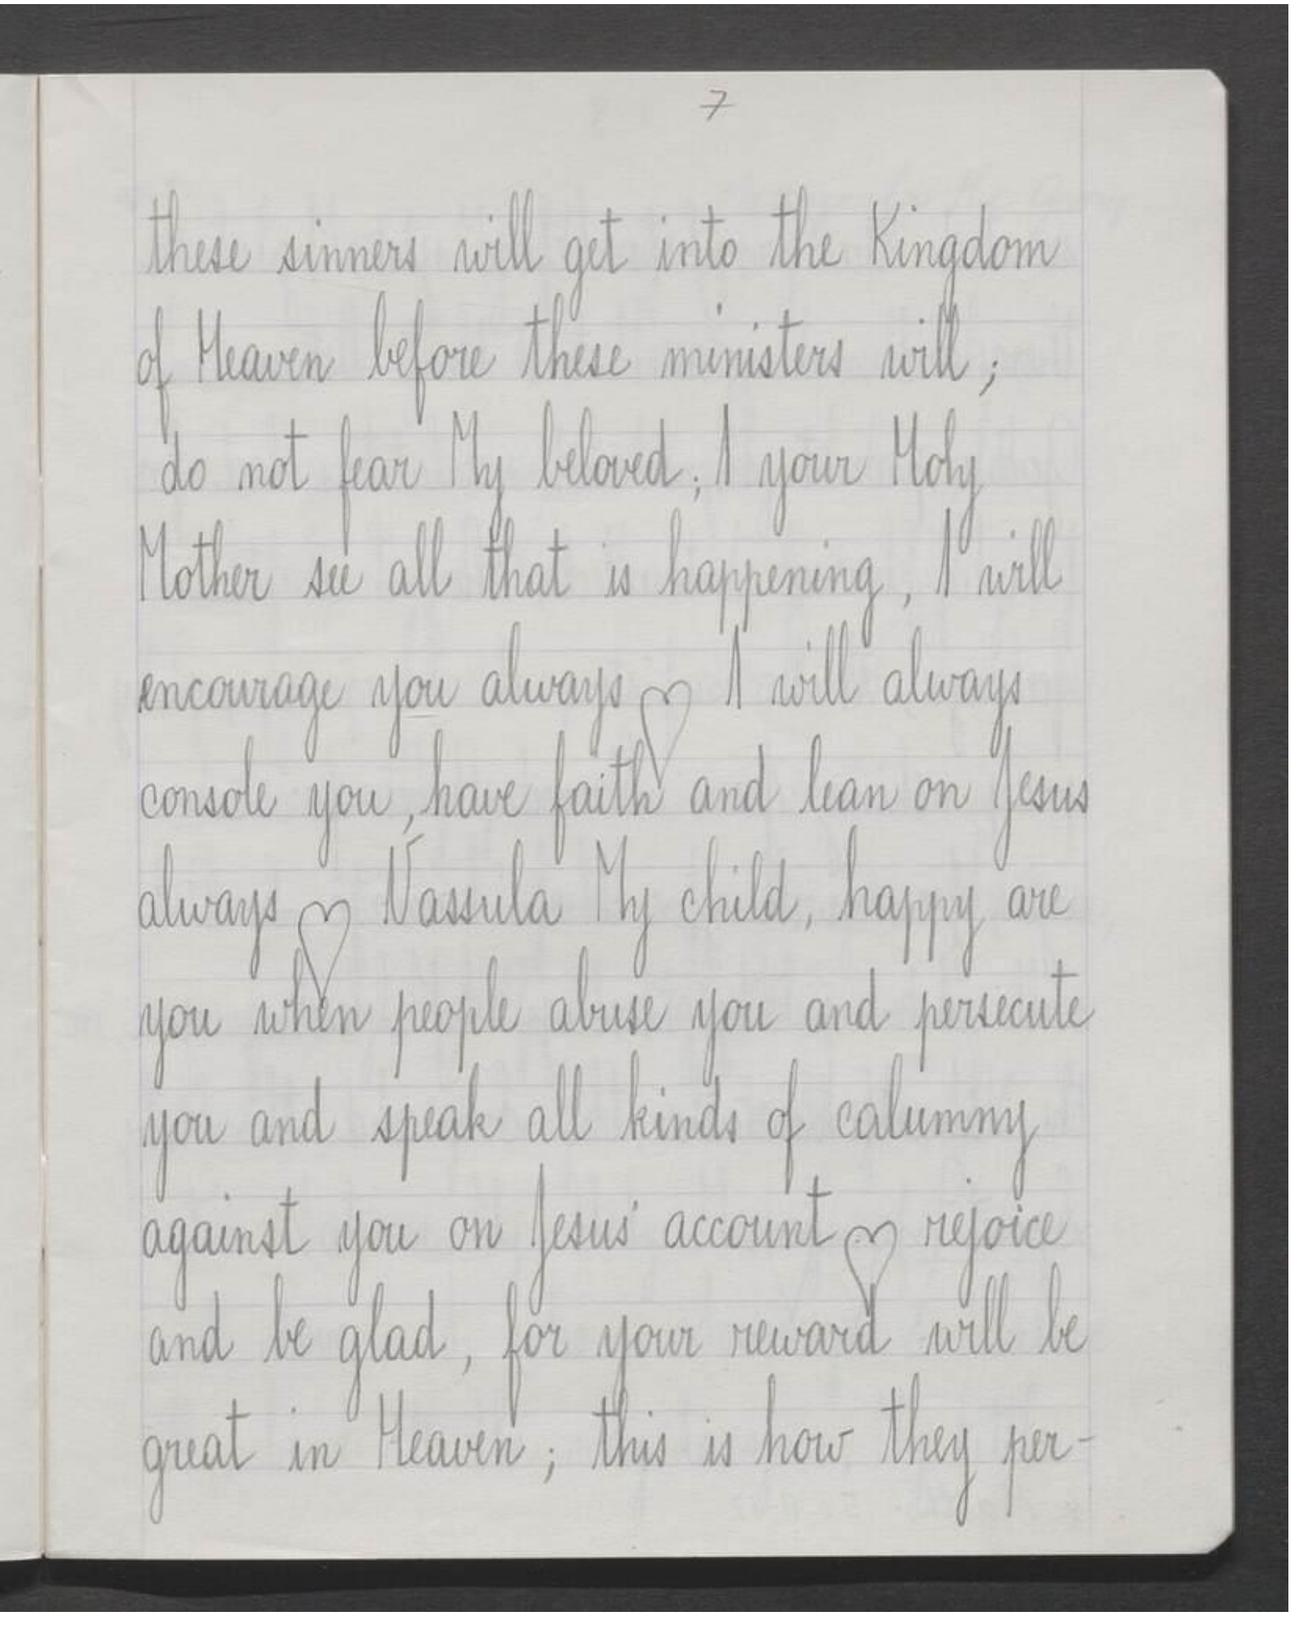
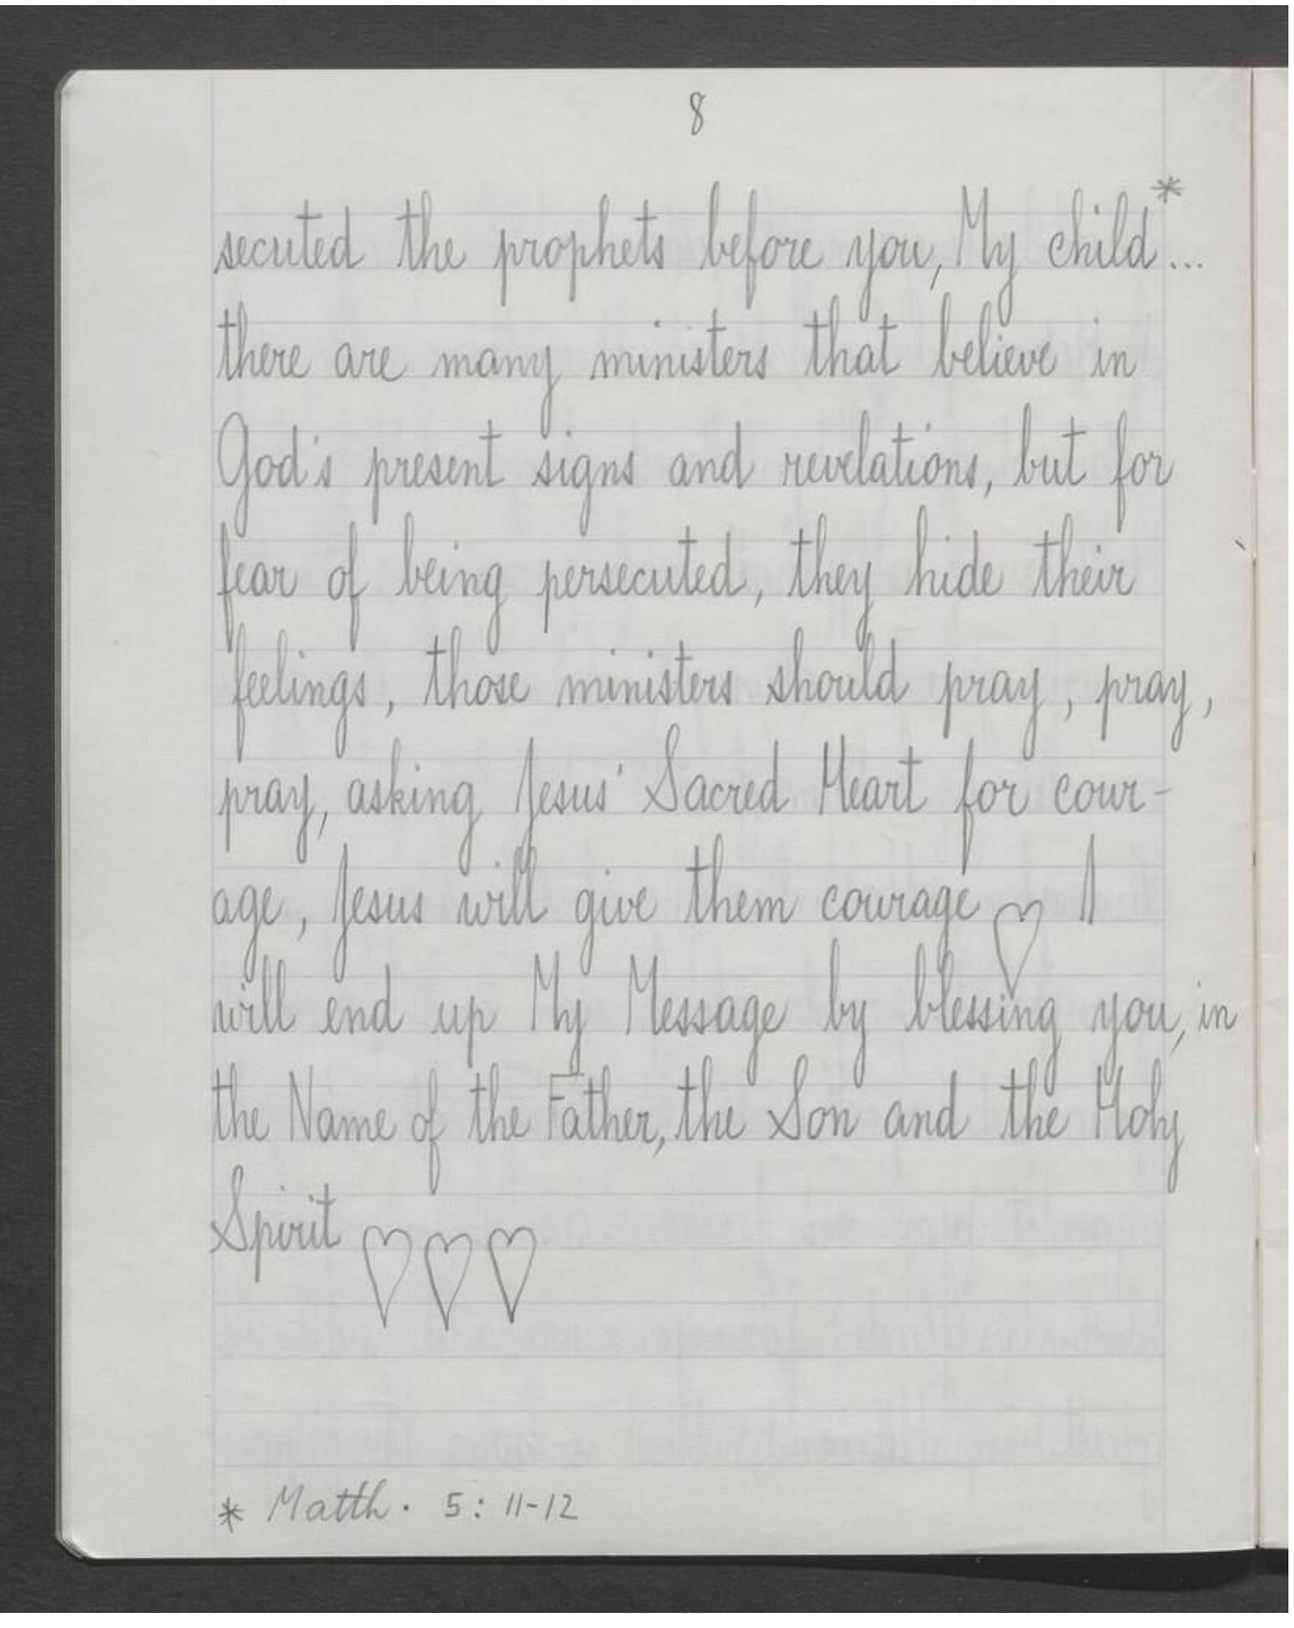
St. Mary:
My Vassula, have My
Peace, beloved children, I bless you, I am



your Holy Mother who suffers just like you,
for the aridity that is being spread, do
not get discouraged, I am by your side,♡
I will encourage you to diffuse Jesus' Mes-
sage of Peace and Love ♡ behold, Jesus
is manifesting His Message through this
weak instrument, a frail flower, whom He
formed; but many ministers will refuse to
believe, they do not seem to understand
God's Infinite Wealth! many of them
would not believe, even when they would
see that sinners believed and repented!



these sinners will get into the Kingdom of Heaven before these ministers will; do not fear My beloved, I your Holy Mother see all that is happening, I will encourage you always, I will always console you, have faith and lean on Jesus always; Vassula My child, happy are you when people abuse you and persecute you and speak all kinds of calumny against you on Jesus' account, rejoice and be glad, for your reward will be great in Heaven; this is how they per-



secuted the prophets before you, My child*...
there are many ministers that believe in
God's present signs and revelations, but for
fear of being persecuted, they hide their
feelings, those ministers should pray, pray,
pray, asking Jesus' Sacred Heart for cour-
age, Jesus will give them courage ♡ I
will end up My Message by blessing you, in
the Name of the Father, the Son and the Holy
Spirit ♡♡♡

Just before the Lord wanted me to take out His Message in public, someone came and offered me a beautiful statue of our Lady of Fatima. (70 cm height) — I knew that Our Lady arrived here in time so that She accompanies me in all my public meetings.

In one of the meetings arranged outside Lausanne they told me not to bring our Lady of Fatima because they arranged everything.

That same night I saw in my dream our Lady of Fatima, as statue, facing me. I asked Her to give me a sign to know whether I had understood that She came to accompany me in my meetings and as soon as I said these words, our Lady opened Her arms and put them tightly around me and stayed like that. I woke up and the same morning Our Lady of Fatima wrote : "Please, do not leave Me behind, take Me with you !"

Vassula, have My Peace; read the signs the Lord is giving you, discern them,

and follow them, please help me to notice them.

♡ I am helping you ♡ thank You Holy Mother.

Yesterday I heard of a reaction of a priest who heard about me, he said: 'Away from her, she is a charlatan!' Somehow, his remark pleased me, because I'm being accused as imposter, just like Jesus was accused by the Pharisees of false prophet, and it reminded me of the message you gave me (in this book page 7) and so many times Jesus said to me I will be blamed, persecuted and scrutinized, it only proves His words. I am happy because I am blamed and persecuted for His sake.

♡ My child, pray for those who accuse you, and pass judgement on you, pray for them to open their heart; pray for all those souls who do not recognize the Lord's Mercifull

how on 20th May 1987, when not one priest yet
supported me and those who knew and supported
me were a handfull of friends, after Jesus dic-

I got exasperated asking how will this Message
reach the right ears, since I'm an outsider,
leaving in Asia,(at that time I must admit, too
that I had no idea about World Council of Churches)
Jesus said simply: "It will." Ref. in book

was fulfilled exactly on the 16th January. If
they reject the Message or not, this is another
